HONEYWELL

WHAT WE DO

AEROSPACE

More fuel-efficient aircraft. More direct and on-time flights. Safer skies and airports. We're found on virtually every commercial, defense and space aircraft.

BUILDING TECHNOLOGIES

Over 100 years ago, we defined energy efficiency by making indoor comfort automatic. Today, we redefine it in 10 million buildings using our technology.

PERFORMANCE MATERIALS & TECHNOLOGIES

We pioneered automation control. So we understand complex industrial facilities, and how to create high-quality and high-performance chemicals and materials.

SAFETY & PRODUCTIVITY SOLUTIONS

Each year, we keep over half a billion workers safer and more productive with voice-enabled software, barcode scanners, mobile computers and protective equipment.
